4. Authorize the Sheriff to execute all future amendments, modifications, extensions, and/or augmentations to said grant, which do not impact net County cost should such action(s) be required during the term of the forthcoming grant.

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Senate Bill 438 and Penal Code Section 13848 established a program of financial and technical assistance in OES, which is administered by the High Technology Theft Apprehension and Prosecution (HTTAP) program. Through this program, OES awards an annual grant to the Counties of Los Angeles, Orange, and Ventura, which are the jurisdictions within the SCHTTF.

The Los Angeles County Sheriff's Department (LASD) has received a Request for Application for the HTTAP program. OES recognizes LASD as a recipient for this grant funding as it has been selected by the SCHTTF committee as the lead agency. Upon submitting an application to OES, LASD will receive up to \$1,908,550 in grant funding. These funds shall be utilized for SCHTTF operations, which are mainly to combat and prosecute high technology crime. High technology crimes, as defined by OES, are those crimes in which technology is used as an instrument in committing, or assisting in the commission of a crime, or which is the target of a criminal act.

The agencies represented on the Southern California High Technology Task Force are the Los Angeles County Sheriff's Department, Los Angeles County District Attorney's Office, Los Angeles Police Department, Orange County Sheriff's Department, Federal Bureau of Investigation, Ventura County District Attorney's Office, Ventura County District Attorney Investors' Office, Simi Police Department, Ventura County Sheriff's Office, California Highway Patrol, and the United States Secret Service. Various representatives of these agencies, along with members of the local high technology industry and academia, will form the local steering committee, which shall, at a minimum, meet quarterly to review task force activities, provide advice, recommendations, strategic input, and direction for task force consideration.

LASD and other agencies will provide grant funded and in-kind support staff for the Task Force. All participating agencies will contribute at least one Task Force Member to assist in Task Force investigations.

Implementation of Strategic Plan Goals

The HTTAP grant program assists the County and LASD in achieving several goals of the "County of Los Angeles Strategic Plan." With its support, LASD will realize the achievement of Goal #1: Service Excellence, Goal #2: Workforce Excellence, and Goal #5: Children and Families' Well-Being.

"Service Excellence" will be accomplished as the SCHTTF works to provide the public with quality information and services concerning computer crimes and the prevention thereof. "Workforce Excellence" will be attained as the forthcoming grant allows for

retention of committed/dedicated employees of SCHTTF, thereby enhancing the quality and productivity of the County workforce. Lastly, "Children and Families' Well-Being" will be realized overall through the reduction of high technology crimes and thus, improving the quality of life for County residents, as well as for those residing in the Counties of Orange, and Ventura.

FISCAL IMPACT/FINANCING

The HTTAP program will provide \$1,908,550 in state grant funding or 75 percent of program costs to LASD. Under this program, LASD will contribute matching funds of \$477,138 (equal to 25 percent of the award amount). To satisfy the match requirement, LASD plans to contributing portions of a lieutenant, a sergeant, and five detective positions. Funding for this program has been included in LASD's budget for Fiscal Year 2005-2006.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The end of Fiscal Year 2004-2005 marked the seventh year of County participation in the HTTAP program. The program will be effective for another twelve (12) months, commencing on July 1, 2005, and ending June 30, 2006. The application documents have been reviewed and approved as to form by County Counsel.

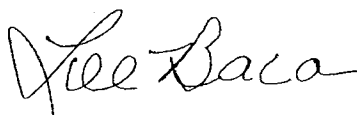

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The HTTAP program has just completed its seventh year and does not propose staff augmentation; therefore, LASD is not subject to the Board motion of December 15, 1998, requiring clearance with the District Attorney, Alternate Public Defender, Public Defender, and Probation Departments.

CONCLUSION

Upon approval, LASD requests that your Board please provide four (4) individually adopted copies of this action and one (1) executed original of the attached Certification of Assurance of Compliance to LASD. LASD contacts for this requested Board action are Michelle A. Day, Grants Manager, at (323) 526-5212 or Ray Young, Grants Coordinator, at (323) 526-5153.

Sincerely,

LEROY D. BACA
